**General Comments**ITEM 67, ERECT PWS CABLE SYSTEM;  
EAST SHROUDS (CONNECT TO EAST SADDLES HOUSINGS):

The work today is also inspected by Doug Wright. The truck delivering the material from ABC painting in Vallejo (after fabrication at CKJ) arrives on site before noon and is unloaded by ABF approximately 1230 to 1300 on the WB Skyway deck. There is no work today to erect the shrouds. I pull the METS blue tag releasing the material for use on the job.
